

THE Healthy Utah Plan MATTERS

TO UTAH'S ECONOMY

The plan makes sense and will bring \$260 million of Utah taxpayer dollars back to the Utah economy

Federal dollars for unpaid hospital care will be cut by \$18.1 billion nationally between 2015 & 2023 - Utah will not make up our share of these cuts if we don't act

TO UTAH'S FAMILIES

Over 40,000 parents fall into Utah's coverage gap, the Healthy Utah Plan will offer them insurance through the private market

The Healthy Utah Plan can create over 3,000 health sector jobs right here in Utah

**PASSING THE
HEALTHY UTAH
PLAN WILL
ALSO:**

TO UTAH'S HEALTH

- reduce mortality rates
- ensure a healthier workforce
- be a critical safety net for parents who lose their jobs
- improve health services for low-income veterans
- keep Utah tax dollars here in Utah
