When you give to the Texas Nurse Practitioners TNP Advocacy Fund, you can be sure that your donation is making a difference. We are

extremely grateful to you for your support in helping us accomplish our mission. Absolutely none of our success would be possible without your generous financial support. While success does not come easily, everything we do now lays the groundwork for us to reach our ultimate goal of full practice authority for ALL nurse practitioners. Dollars donated to this Fund are used for lobbying expenses, coalition building, expert witness testimony, attendance and participation in meetings throughout the state, media and public relationship efforts to just name a few.

TNP developed the PAC to help make our voice heard at the Capitol. The purpose of the TNP PAC is to help elect and keep in office state public officials and candidates, without regard to party affiliation, who support legislative priorities that promote improving patient access to quality

health care and nurse practitioners as healthcare providers. In addition, the TNP PAC will help promote political education and participation in the political process among members of the nurse practitioner profession. This is a TNP Member PAC and all TNP members are encouraged to donate and let your voice be heard. (No corporate contributions are allowed.)
