

 **American Diabetes Association®**

2016 Professional Diabetes Education Conference

Friday, March 4 and Saturday, March 5

Radisson Paper Valley Hotel
333 W. College Avenue
Appleton, WI 54911

Accreditation Statements

Nurses: The American Diabetes Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's COA.

California Board of Registered Nursing: The American Diabetes Association is also a provider approved by the California Board of Registered Nursing, Provider No. CEP-12196. This activity is approved for 8.75 contact hours.

Dietitians: The American Diabetes Association is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 8.75 continuing professional education units (CPEUs) for completion of this program/material.

Pharmacists: The American Diabetes Association is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. The American Diabetes Association designates these sessions as knowledge-based per ACPE guidelines. To view the UAN's and learning objectives for each session, please visit <http://professional.diabetes.org/wisconsin> and click "Continuing Education for Pharmacists." This information will be available after March 1.

Certified Diabetes Educators: To satisfy the requirement for renewal of certification by continuing education for the National Certification Board for Diabetes Educators (NCBDE), continuing education activities must be diabetes related and approved by a provider on the NCBDE List of Approved Providers (www.ncbde.org). NCBDE does not approve continuing education. The American Diabetes Association is on the NCBDE List of Approved Providers.

Successful Completion Statement

Certificates of Completion/Attendance are provided to registered attendees base upon completion of the online evaluation that will be available at <http://professional.diabetes.org/wisconsin> on March 4, 2016 through March 25, 2016. For questions regarding continuing education, please contact professionaleducation@diabetes.org.

Content Validation Statements

- ◆ All recommendations involving clinical medicine are based on evidence accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients; **AND/OR**
- ◆ All scientific research referred to or reported in support or justification of a patient care recommendation conforms to generally accepted standards of experimental design, data collection, and analysis.

Target Audience

This seminar is designed for nurses, dietitians, pharmacists, certified diabetes educators, and other healthcare professionals with an interest in diabetes and promoting diabetes education. The 2016 activity will update participants on current diabetes management.

Learning Objectives

Upon completion of this activity, the participants will be able to:

- Differentiate between diagnostic criteria of gestational diabetes and preexisting diabetes
 - Indicate best medication options based on a patient's medical and financial needs
 - Discuss diabetes prevention and treatment options specific to Native American populations
 - Describe the prevalence, possible causes and characteristics of obesity and type 2 diabetes in children
 - List ADA Recommendations/Nutrition Guidelines for Pediatrics, GDM and Adults 18+
 - Describe Medication Therapy Management (MTM) Session for patients with diabetes and the ideal MTM candidate
 - Identify strategies to integrate stress management strategies for self, patient and colleagues

2016 Registration Information

Pre-registration is required for the 2016 American Diabetes Association - Wisconsin Area Conference being held on March 4 & 5. The cost of the conference is \$175 for professionals and \$100 for full-time students. Fee includes breakfast, luncheon, and beverages. **Online registration is highly recommended at <http://professional.diabetes.org/wisconsin>.**

If you are unable to register online, please return this form with credit card information or your check made payable to American Diabetes Association no later than Monday, February 22, 2016. A late fee of \$25 will apply if postmarked after February 22, 2016. Fee applies whether attending all or part of the conference.

Room Reservations: When contacting Radisson Paper Valley Hotel, please mention that you are attending the American Diabetes Association Education Conference. A conference room rate is \$118/night for single or double and **room reservations must be made by Thursday, February 4, 2016**. Contact the hotel for more information at 920-733-8000.

Cancellation Policy: If notice of cancellation is received at the American Diabetes Association office by Monday, February 22, 2016 a full refund will be made. Cancellations received after February 22, 2016 are non-refundable. Please inquire when making your hotel reservations about their cancellation policy.

Pre- and Post-test Questions: Pre-and post-test questions will be sent to all participants. Therefore, an e-mail address will be required when registering. This is used to gauge the impact of our professional education programs and assess improvement in the learner knowledge of the conference.

For more information: Contact Heidi Dietrich at the American Diabetes Association - hdietrich@diabetes.org; (414) 778-5500 x6532.
