OBJECTIVES

1. Identify and recognize symptoms that would prompt a CXR.
2. Describe signs and symptoms of lower and upper UTIs.
3. Review and evaluate men and women with Overactive Bladder.
4. Understand the limitations on practice authority with APRNs in Georgia.
5. Recognize the benefits of skin to skin after delivery.
6. Demonstrate basic suturing and incorporate the required wound care.
7. Understand and differentiate the isolation techniques to treat Ebola patients.

This program is pending approval of continuing education by the American Association of Nurse Practitioners and was planned in accordance with AANP CE Standards and Policies.

This program is pending approval for 7.0 contact hours of continuing education of AAPA category I CME credit from the Physician Assistant Review Panel.
