This program is non-promotional and sponsored by Sanofi US. The content contained in this presentation is not eligible for continuing education credits (CME). Sanofi US may not provide meals to certain persons at this speaker program. Several state laws set limits on or prohibit the provision of meals to healthcare professionals. If you have an active state license in certain states (e.g., Minnesota, New Jersey, or Vermont) and you accept this invitation and choose to attend this program, you must notify the host if you will not be able to accept the meal provided and document this on the Sign In Sheet ("Opt Out or Will Not Consume"). State limits/restrictions are on the Sign In Sheet. Per Sanofi policy and the PhRMA Code, appropriate attendees for speaker programs are, in sum, healthcare professionals for whom the content presented is relevant to their function and attendees who have a bona fide educational need for the information; guests and spouses are not permitted to attend.
