

PARENT CHILD ASSITANCE PROGRAM

In collaboration with University of Washington and the Division of Behavioral Health, we are pleased to introduce a new home visitation program into Thurston County. This program will link Pregnant/Postpartum mothers impacted by addiction to qualified case managers promoting resilience and eradicating Adverse Childhood Experiences.

**Attend our open
house on:
Wednesday
March 23 2016
4-6pm**

*Come meet our staff!
Make New
connections!
Celebrate our new
offering of hope!*

Our goals are to help
mothers achieve and
maintain recovery,
build healthy family
lives and prevent
births of subsequent
alcohol/drug
exposed infants

We move our
mothers from
Dependence to
Interdependence
into Independence
