

Join us in Birmingham for an Afternoon Meeting!

Friday, April 22, 2016 | 12:00 - 5:00pm

The Westin Birmingham | Birmingham, Alabama

Register today at:

scopeofpain.org

What is SCOPE of Pain?

SCOPE of Pain is designed to help you safely and effectively manage patients with chronic pain, when appropriate, with opioid analgesics. The Birmingham meeting includes essential clinical content on opioid prescribing as well as state-specific information, including a policy and resource panel with representatives from State and local agencies.

SCOPE of Pain Birmingham is provided by Boston University School of Medicine, with local partners University of Alabama at Birmingham and UAB Center for Excellence in Pain Education. National collaborators include the Council of Medical Specialty Societies and the Federation of State Medical Boards.

Why offer this training?

The FDA has mandated manufacturers of extended release/long-acting (ER/LA) opioid analgesics, as part of a comprehensive Risk Evaluation and Mitigation Strategy (REMS), to make available comprehensive prescriber education in the safe use of these medications. Our training is based on the FDA curriculum known as the Blueprint for Prescriber Education for Extended Release and Long-Acting Opioid (ER/LA) Analgesics. Our curriculum covers all aspects of this blueprint and more to provide a comprehensive educational program.

Who is this for?

Physicians, nurse practitioners, registered nurses, nurses, physician assistants, and pharmacists.

Educational Objectives:

At the completion of this education activity, you should be able to:

- Employ appropriate assessment, monitoring and documentation strategies to meet best practice standards and medico-legal requirements when treating patients with chronic opioid therapy (COT)
- Apply a practical framework for decision-making on the initiation, dosage modification, and discontinuation of opioid analgesics in the treatment of chronic pain
- Employ consistent practice tools to adequately assess risk in patients being considered for COT and to effectively manage COT
- Confidently counsel patients and caregivers about the safe use of opioid medications and communicate about the need for close monitoring
- Effectively communicate with patients whom you suspect may be misusing opioid analgesics
- Demonstrate increased understanding of general- and product-specific information of ER/LA opioid analgesics

Tuition: \$25

For more information and to register, visit scopeofpain.org

Faculty

Daniel P. Alford, MD, MPH, FACP, FASAM (Course Director) | Associate Professor of Medicine, Boston University School of Medicine

Jessica S. Merlin, MD, MBA | Assistant Professor, Division of Infectious Diseases, Division of Gerontology, Geriatrics, and Palliative Care University of Alabama at Birmingham

Panelists

Mark Wilson, MD | Health Officer and CEO, Jefferson County Department of Health

Joyce Vance, JD | US Attorney for the Northern District of Alabama

Nancy Bishop, RPh | Acting State Pharmacy Director, Alabama Department of Public Health

Edwin Rogers | Investigator, Alabama Board of Medical Examiners

Accreditation

Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Boston University School of Medicine with local partners University of Alabama at Birmingham and UAB Center for Excellence in Pain Education. Boston University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Boston University School of Medicine designates this live activity for a maximum of **4.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

Continuing Nursing Education Provider Unit, Boston University School of Medicine is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. CNE Contact Hours: **4.25**, all of which is pharmacology credit-worthy

AAFP

This live series activity, SCOPE of Pain: Safe and Competent Opioid Prescribing Education with a beginning date of 11/14/2014, has been reviewed and is acceptable for **2 Prescribed Credits** by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure of Support

This educational activity is supported by an independent educational grant from the ER/LA Opioid Analgesic REMS Program Companies. Please see http://ce.er-la-opioidrems.com/lwgCEUI/remes/pdf/List_of_RPC_Companies.pdf for a listing of the member companies. This activity is intended to be fully compliant with the ER/LA Opioid Analgesic REMS education requirements issued by the US Food & Drug Administration.
