

# Antidepressants: Finding the Right One

*At the conclusion of this activity, the participant will be able to:*

1. Describe the pharmacology of the various classes of antidepressants
2. Explain the basic approaches to mood disorders and selection of specific agents
3. Identify the most common side effects, drug interactions, and effects of overdose in antidepressants.

Athens Regional Medical Center is accredited by the Medical Association of Georgia to provide continuing medical education for physicians. Athens Regional Medical Center designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 Credit™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.
