This organization brings is solely dedicated to Advanced Practice Nurses across the state of Missouri. It's goal it to unite APRN's in the state and the nation and advance the role of the advanced practice registered nurse through leadership, legislative activities and continuing education while promoting and advocating for excellence.

The Keynote Speaker for the program is a fellow from the American Academy of Nurse Practitioner Association. Barbara Phillips has relocated to Missouri from the West Coast. She is nationally acclaimed for her knowledge of business and webinars. We also have a lot of other well-known speakers and some great hands on workshops.

The conference will have up to 16 contact hours of continuing education (CE) offerings planned, updates on state and federal policy, time to network with your colleagues, an exhibit hall filled with the latest good and services for APRNs and students. There are several hands-on sessions that are available with limited seats: EKG Interpretation, Radiology Interpretation, and How to Start Your Own Business.

We hope that you can attend this End of Summer Splash. It will be a great time as well as the ability to earn continuing education. Our room block does go until Sunday for those that would like to stay an extra night and do some shopping or just enjoy the lake.
