

Oncologic Emergencies

At the conclusion of this activity, the participant will be able to:

1. Apply current evidence based guidelines in the treatment of patients with conditions commonly seen in internal medicine.
2. Describe the latest advances in internal medicine and research and how it can impact patient care.
3. Identify and explain areas of controversy in the field of internal medicine

Athens Regional Medical Center is accredited by the Medical Association of Georgia to provide Continuing Medical Education for physicians. Athens Regional Medical Center designates this live activity for a maximum of **1.0 AMA PRA Category 1 Credit™**. Physicians should only claim only the credit commensurate with the extent of their participation in the activity.
