

The Leader in Pediatric Education for Nurse Practitioners® is bringing a one-day Mental Health symposium to you!

Saturday, September 17

Westin South Coast Plaza, Costa Mesa, Calif.

All PNPs, FNP's and other pediatric providers are invited to our symposium to participate in a deeper discussion of pediatric mental health issues.

Mental health experts will present:

- Understanding, advocating and interventions for children with learning disabilities
- Psychosocial interventions for pediatric & adolescent behavioral disorders
- Assessment and management of anxiety disorders
- Managing comorbid ADHD
- Case-based psychopharmacology

Participants will earn **7.25** NAPNAP contact hours, of which two are psychopharmacology.

Registration is only \$175 for NAPNAP members and student members.

Non-members can register for \$225.
