## ***Show Love For Your Profession***

Legislative session is in full swing and TNP's lobby team, board of directors, members and staff are hard at work attempting to increase access to care, but we need your help.  
Legislative advocacy takes time, talent and money.

TNP is celebrating 25 years this year and we have a goal of raising \$125,000 for advocacy by September 29, 2013.  
The TNP125 Campaign has officially started!

During the month of "hearts", show love for your profession by donating \$50. If each member donated just \$50 this month we would almost reach our goal in just the first month of the campaign!
