

Pharmacotherapeutic Principles for the Treatment of Common Infections & Hypertension

December 16, 2016

8:00am – 12:00pm

Lecture Hall A – LSU Health School of Nursing

Activity Description/Outcome: This activity will provide an interactive learning environment for a review of the latest research and evidence-based recommendations for the treatment of common infections and hypertension. Teaching modalities will include a mixture of lecture, discussion, and case studies that can be applied to all health care settings.

Target Audience: Advanced Practice Registered Nurses (APRNs) and Registered Nurses (RNs)

Speakers: Jessica Landry, DNP, FNP-BC & Leanne Fowler, DNP, MBA, AGACNP-BC, CCRN, CNE

Participants will earn **4.0 contact hours** of continuing nursing education which includes pharmacology credit. Participants must register for the activity, be present for the entire activity, and submit the evaluation to receive contact hours.

Registration: The cost of the program is \$75. LSUHNO School of Nursing students discounted rate is \$25.

Please use the links provided below to both register for and submit payment for the program.
