TWENTY-FOURTH ANNUAL

Pharmacology Conference

April 21-22, 2017
Park City Marriott Hotel
1895 Sidewinder Drive
Park City, Utah

Sponsored by
Utah Nurse Practitioners

Overview

This course is designed to meet the continuing education needs of advanced practice nurses. There will be an intense review and update of new pharmacological agents. Discussion of drugs and treatment modalities relating to specific illnesses will be reviewed at length. Drug actions, indications for use, contraindications, and side effects will be presented.

Objectives

- ▶ Explain basic pharmacological and pharmacokinetic principles as they relate to devising a proper therapeutic regimen.
- ▶ Select an appropriate therapeutic treatment plan for a given patient condition.
- ▶ Determine appropriate use for new pharmacologic agents.

Credit

- ▶ The program has been submitted to the American Academy of Nurse Practitioners (AANP) for ## units of continuing education credit, approximately ## units are specific to pharmacology. The program is pending approval with the AANP.
