ONZETRA™ Xsail™ (sumatriptan nasal powder) is indicated for the acute treatment of migraine with or without aura in adults. ONZETRA Xsail should only be used where a clear diagnosis of migraine has been established. ONZETRA Xsail is not indicated for the prevention of migraine attacks or for other types of headaches, including cluster headache.

Please see Important Safety Information on the reverse and accompanying full Prescribing Information, including Instructions for Use.

This educational program is sponsored by Avanir Pharmaceuticals, Inc., and is not accredited for continuing medical education. In accordance with the PhRMA Code on Interactions with Healthcare Professionals, attendance at this educational program is limited to healthcare professionals. As such, attendance by guests or spouses is not permitted. This educational program may include the provision of a modest meal. Avanir does not offer such a meal to healthcare professionals whose institutions prohibit such meals, nor does Avanir offer a meal where federal or state laws (e.g., Vermont and Minnesota) limit a healthcare professional's ability to accept such a meal. If you are licensed to practice in a state where meals are either prohibited and/or restricted and you accept a meal, you understand that you may be required to reimburse Avanir for the cost of this meal. Accordingly, please consult your legal or ethics advisor regarding any applicable limitation before attending this promotional program.

Please note that Avanir is required to report the value of a provided meal pursuant to applicable federal and/or state laws. This invitation is non-transferable.
