

Call for Presentations Announcement

Advanced Practice Registered Nurses 2017 Fall Conference

General Information

The United Advanced Practice Registered Nurses of Georgia (UAPRN) is pleased to announce the 2017 "Call for Presentations" for the 2nd annual educational conference to be held at the Atlanta Convention Center at AmericasMart, September 21st – 23rd, 2017. The conference theme is "United We Stand".

This conference will offer its attendees the opportunity to hear presentations from outstanding faculty from across the United States with a concentration on Georgia. The conference offers continuing education credit for topics of general interest and current advancements in specialties within the fields of Family Practice, Pediatrics, Women's Health, Mental Health, Acute Care, Academia, Surgical Care, Integrative Health, Legislation and much much more.

The conference audience includes Nurse Practitioners, Students, Administrators, Nurse Administrators, University Professors, University Administrators, and others who play important roles in shaping the healthcare system.

Presentation Content

The conference committees are actively seeking presentation proposals for:

- Keynote/General Sessions (60-75 Minutes) or
- Educational Breakout Sessions (75 Minutes).

When developing your program proposal, please ensure that your presentation topic is focused, content-filled and interactive. Presentation proposals that address issues of interest across the identified target audience groups are strongly encouraged. Proposals will be reviewed and selected by members of the educational program's steering committee and all proposals will be reviewed based on the following criteria:

- Overall quality and originality of the subject, including timeliness and relevance to Advanced Nursing Practice, Nursing Research/Publications, Advanced Practice Nursing Education.
- A well-defined subject that can be presented in the time allotted
- How the subject stands in relation to the other presentations selected
- There is a practical application of the subject presented
- **Research that would benefit, enhance, or progress Advanced Practice Nursing and Education. These will be presentations of abstracts (20 minute maximum to include a minimum of 5 minutes for questions and answers).

Appropriate Emergency Medicine Today Presentation Topics Include, but are not limited to:

- Primary Care: (CV, GI, GU, Endocrine, Treatment Updates, Lab Updates, Psych, etc.)
- Women's Health
- Pediatrics
- Oncology
- Research
- Nutrition/Obesity
- Pharmacology
- Corporate Wellness
- Practice Building
