

Scholarship of the Year

Introduction of your interest in being and nurse practitioner

Eligibility:

- Membership in MICNP.
- One letter of recommendation from clinical supervisors or faculty members

The criteria for a Student Nurse Practitioner Scholarship Award common criteria often include the following:

1. Enrollment Status:

- Must be currently enrolled in an accredited Nurse Practitioner (NP) program in Michigan.
- May need to provide proof of enrollment or acceptance into the program.

2. Professional Goals:

- A personal statement or essay outlining career goals and how the scholarship will help achieve these goals.
- Demonstrated commitment to the nursing profession and to advancing nursing practice.

3. Clinical Experience:

- Relevant clinical experience or work history in healthcare.

4. Community Involvement:

- Evidence of community service or involvement in professional organizations.
- Participation in activities that demonstrate leadership and a commitment to improving healthcare.

5. Scholarship:

- Involvement in scholarship projects or publication in nursing journals.
- Presentations at conferences or seminars related to nursing and healthcare.
