Education to Eliminate Disparities

Detroit, MI

A.G.R.E.E.D GWEP Project ECHO: Aging in Urban Communities

Designed for providers across the
country to learn how to best care for
geriatrics of underserved communities

What is Project ECHO?

Project ECHO (Extension for Community Healthcare
Outcomes)

- An evidence-based, interactive distance-learning model
- 20 min didactic session + 15 min case presentation + interactive discussion
- Experts and peers collaborate through case-based learning
- Empowers practice teams to manage complex conditions in their own communities

AMA Designation Statement

Project ECHO® designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC Designation Statement

Project ECHO® designates this live activity for a maximum of 1.0 ANCC contact hour. Nursing contact hours will be awarded for successful completion of program components based upon documented attendance and completion of evaluation.

ACPE Designation Statement

This activity will provide pharmacists up to 1.0 contact hour. UAN JA4008231-9999-25-052-L05-P has been assigned to this Application based program. CE credit information, based on verification of live attendance and completion of the program evaluation, will be provided to NABP within 60 days after the activity completion.

Social Work Accreditation

Social Work Accreditation As a Jointly Accredited Organization, Project ECHO® is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Project ECHO® maintains responsibility for this course. Social workers completing this course receive 1.0 continuing education credits.
