

NDNPA Excellence in Clinical Practice Award

The North Dakota Nurse Practitioner Association (NDNPA) Excellence in Clinical Practice Award recognizes a North Dakota nurse practitioner who demonstrates outstanding commitment to patient-centered care, clinical excellence, and advancement of evidence-based practice. This award honors an NP who exemplifies NDNPA's mission of promoting quality healthcare in North Dakota through support, advocacy, leadership, and continued education.

The NDNPA Board Members-at-Large are responsible for distributing nomination materials to an independent outside selection committee. The award recipient will be notified upon selection and will be honored at the Annual Pharmacology Conference.

Award Eligibility Criteria:

- Current licensed nurse practitioner in North Dakota
- Current resident of North Dakota and actively practicing in the state
- Minimum of three (3) years of clinical practice as a nurse practitioner
- Demonstrated excellence in direct patient care and clinical outcomes
- Evidence of implementing evidence-based practice or quality improvement initiatives
- Active involvement in professional development and/or continuing education
- Submission of a 1–2 page narrative describing the nominee's clinical impact and contributions to healthcare in North Dakota (self-nominations accepted)
- Nominee's CV or resume

Please submit completed nomination materials to ndnpboardmemberatlarge@gmail.com no later than AUGUST 1 of each year.
