

MATERIAL SAFETY DATA SHEET

(MSDS)

PRODUCT NUMBER Vinyl Screen; 03901, 03902, 03904, 03905, 03907

PRODUCT USE Deodorizer

SECTION 1-PRODUCT AND COMPANY INFORMATION

Manufacture Name: HOSPECO Emergency Telephone Number (800) 321-9832
Hospital Specialty Company
26301 Curtiss-Wright Parkway
Cleveland, OH 44143

SECTION 2-COMPOSITION/INFORMATION ON INGREDIENTS

Substance or Mixture Mixture
Chemical Name Polyvinyl Chloride Copolymer
Content Polyvinyl Chloride, Plasticizer, Stabilizer, Red Color
 Lubricant, Calcium Carbonate, Processing Aid

SECTION 3-HAZARDOUS IDENTIFICATION

Most Important Hazard None
Adverse Human Health Effect None
Environmental Effects None
Physical and Chemical None

SECTION 4-FIRE AND EXPLOSION HAZARD DATA

Extinguishing Media Water, foam, dry chemical powder
Special Fire Fighting Procedures Self contained breathing apparatus
Fire and Explosion hazard None

SECTION 5-HANDING AND STORAGE

Handling Prevent from fire around handling area. Maintain good housekeeping standards to prevent accumulation of dust. To avoid dust explosion resulting from existence of powder, electrostatics eliminators and grounding should be fixed to such equipment as air transferring pipes, bag filters and hoppers. Use electrically conductive filters for bag filters.

Storage Keep the material at cool dry place from direct sunlight, rain and violent temperature fluctuation.
Fire is inhibited around storage area

SECTION 6-CONTROL MEASURES	
Threshold Limit Values	Not Determined
Ventilation	Necessary to exclude dust, fumes and gases Wear safety glasses for general purpose
Personal Protection: EYE	Wear chemical goggles for cleaning molding machines
RESPIRATORY	Wear masks for cleaning molding machines
GLOVES	Necessary for handling melted resin
SECTION 7-STABILITY & REACTIVITY DATA	
Flammability	Yes
Flash Point	Not Applicable
Auto ignition Temperature	Not Applicable
Reactivity with water	No
Stability	Stable and non-reactive under normal handling and storage condition
SECTION 8-HEALTH HAZARD DATA	
Irritation	Fumes or vapors generated from decomposing resin may be irritant to eyes
Acute oral toxicity	Not determined
Mutagenicity	Not determined
SECTION 9-FIRST AID MEASURES	
Inhalation	In case of gases evolving from melted resin, move subject to fresh air. Treat symptomatically In case of pellets or powder, wash with water
Skin Contact	In case of melt, wash affected skin area and clothing with plenty of soap and water. Seek medical advice. In case of pellets or powder, flush with plenty of water for at least 15 minutes.
Eye Contact	Seek medical advice if any dust particle still remain.
Ingestion	Induce vomiting, rinse mouth with water Seek medical advice if necessary
