Important advising notes for Future Art Education majors

- Minimum GPA for ART Education Majors is **3.0**.
- The transfer requirements for 4-year institutions vary from institution to institution. It is **extremely important to identify the transfer institution early in your program here at HACC to maximize the transferability of your courses**. ART Education majors should follow their specific transfer check sheet.
- Admission to ART Education Advanced Professional Studies (junior and senior year curriculum at 4-year institutions) is not granted automatically. **Students must successfully complete the PAPA I Pre-Service Academic Performance Assessment <http://www.pa.nesinc.com/Home.aspx> and other curriculum requirements before they can be admitted to this “block” of classes at any 4-year institution.** It is suggested that you take these tests during the semester prior to transfer. **Students must also have a satisfactory Act 34 (Criminal Record Check), FBI Fingerprint Clearance, and Act 151 (Child Abuse) report. Please note:** the Act 34 - Criminal Background includes underage drinking violations, DUI, and any drug offenses. If ACT 34 or any other clearances might be a problem, you may want to speak with the education department at the transfer institution or consider another career option.
- **Admission into any art major at a 4-year institution will most likely require a portfolio review.**
