Advising Notes

*Students select electives from THTR 100-299, MUSB 227and/ or MUSB 228.

** Students select courses that meet the intended transfer institution or career focus

The Theatre Associate in Fine Arts degree prepares students for entry-level employment in both performance and technical theatre. This hands-on curriculum teaches students fundamental knowledge and techniques essential in acting and/or theatre production.

The AFA degree allows students to focus upon either a performance or technical track. Theatre majors are expected to work with their advisor to carefully design their course of study.

Production Notes:

Final rehearsals and performances for any production requires weekend commitments. All theatre majors must comply with this requirement.

Pre-requisite Notes:

All theatre majors must have a grade of “C” or better in all pre-requisite courses to take next course in sequence.

- Students who wish maximum transferability of their Core, Transfer and Gen Ed Transfer electives should work closely with their transfer institution and the theatre program coordinator at HACC. Students may also select courses from the approved Gen Ed Transfer courses listed in the HACC catalog.
- Students are reminded that independent studies in specialized areas of Theatre must be arranged through the various theatre instructors prior to the start of the semester.

(Advising Notes contd.)

Please be advised that independent studies can be used toward HACC graduation credits but may not transfer

- **NOTE: Independent Study courses cannot be used to satisfy the 12 credits of Program Electives**
- **Students are encouraged to complete an internship with an approved theatre company. Internships must be arranged in consultation with a theatre instructor. Three credits are awarded for completion of an approved internship.**

This check sheet meets the requirements for the AFA Theatre Arts degree from HACC. **Please note that this major is presented in a sequence of courses, many of which are only offered one semester a year.** Students are urged to consult with their adviser for course selection. **The complete program is offered only at the Harrisburg Campus.** It is offered full and part time during the day. General Education courses may be completed at any of the HACC campuses.
