

# AS 3456 Nursing

Fall 2018 (68 credits)

*This is an overview of the program. Any suggested course sequencing is meant to serve as a guideline for your semester planning. Students are expected to see your assigned advisor to develop and review their individual educational plans. Program specific questions can be directed to the faculty contacts. The scheduling of courses, program sequencing and curriculum are subject to change.*

## Developmental Courses as determined through College Placement Testing\* and Prerequisites:

\* Please note: 0-level courses do not transfer and do not count toward graduation requirements; however, they are required to enter college level courses.

**Zero level/developmental courses must be completed prior to clinical start with a C or better to be considered.**

## Advising Notes

- **Be mindful of prereqs**, if a student does not have Biol 122 completed prior to starting FT clinicals, the student must take the course the first semester of clinicals. (BIOL 122 is a pre-req for NURS 150)
- **Must meet with your counselor/advisor about your educational planning and when it is appropriate to apply to clinicals.**
- **All developmental coursework must be completed prior to submitting an application.**
- **C grade or better in ALL coursework (developmental, general education and clinical coursework).**
- **Most recent admission criteria can be located at [www.hacc.edu/healthcareers](http://www.hacc.edu/healthcareers)**
