**Advising Notes**

- **Be mindful of prereqs**, if a student does not have Biol 122 completed prior to starting FT clinicals, the student must take the course the first semester of clinicals. (BIOL 122 is a pre-req for NURS 150)
- HS Biol and Chem (or HACC equivalents must be in place prior to taking Biology 221).
- C grade or better in ALL coursework (developmental, general education and clinical coursework).
- Most recent admission criteria can be located at [www.hacc.edu/healthcareers](http://www.hacc.edu/healthcareers)
- Campus Information Sessions provide indepth information about the selection process, clinical sites, careers in nursing, as well as what to expect during clinicals. Go to the nursing webpage for more information.
