

AS 3920 Respiratory Therapist

Fall 2019 (71 Credits)

This is an overview of the program. Any suggested course sequencing is meant to serve as a guideline for your semester planning. Students are expected to see your assigned advisor to develop and review their individual educational plans. Program specific questions can be directed to the faculty contacts. The scheduling of courses, program sequencing and curriculum are subject to change.

Developmental Courses as determined through College Placement Testing* and Prerequisites:

* Please note: 0-level courses do not transfer and do not count toward graduation requirements; however, they are required to enter college level courses.

Zero level/developmental courses must be completed prior to clinical application with a C or better to be considered.
