

PHARMACY TECHNICIAN, Certificate – Noncredit

Workforce Development/Healthcare Education

A Pharmacy Technician, under the direct supervision of a Registered Pharmacist, assists in the various activities of a pharmacy department not requiring the professional training of a pharmacist. This student may be required to submit ACT 33 Child Abuse and /or ACT 34 Pennsylvania State Police Criminal Background Checks prior to taking the national certification exam and/or obtaining employment. The student should consider this factor before enrolling in this program. The complete program is available at the Harrisburg, Lancaster and Lebanon campuses.

Career Opportunities

This program prepares individuals for employment as a Pharmacy Technician in a variety of settings, including: hospital pharmacies, retail pharmacies, extended-care facilities, home healthcare agencies, and mail-order pharmacy distributors under the direct supervision of a Registered Pharmacist.

Competency Profile

This curriculum is designed to prepare students to:

- Understand the compounding and dispensing of pharmaceutical preparations
- Understand the preparation of admixtures
- Participate in quality control processes
- Perform insurance billing
- Maintain drug inventory quality and levels
- Take the national certification examination administered by the Pharmacy Technician Certification Board (PTCB)
