

## GERONTOLOGY, Certificate - 3300

Health & Public Service Department

CIP Code: 19.0702

The Gerontology Certificate builds on the coursework of the Gerontology Diploma and adds to it in-depth study of topics that include legal and ethical issues, psychological and emotional aspects of aging, and death and dying. This program provides basic knowledge of general concepts and practices in gerontology that can be applied in a number of fields: allied health; social services; activities/recreation; marketing and business; volunteerism; community and human services; government; and professional organizations. The program is offered entirely through Virtual Learning.

### Career Opportunities

This certificate is designed to expand the knowledge and opportunities for employment for those exploring or working in the aging field. Graduates may find career opportunities as activities professionals and work toward national certification. They may also work in allied health, social services, or health care administration, as well as in marketing and business. Graduates may also pursue further academic study in nursing, social work, management, liberal arts, and business. (SOC Code: 21-1093 Social and Human Services Assistant)
