

## SOCIAL SCIENCES, Associate in Arts Degree - 5090

### Social Science Department

The Social Sciences AA program is designed for students who plan to seek a four-year degree in anthropology, economics, geography, political science, history, public administration, sociology, or related field, at a four-year institution. Students are able to select their social science courses to fit their area of interest through the Social Science electives. Since the requirements of senior institutions vary widely, it is essential to choose an intended transfer institution as soon as possible and carefully follow the program described in that institution's college catalog. The complete program is available at all of HACC's campus locations, as well as through Virtual Learning.

### Transfer Opportunities

This transfer curriculum is provided as a guide for students planning to transfer to a baccalaureate degree granting institution.

### Competency Profile

This curriculum is designed to prepare students to:

- Transfer into a social science discipline at a four-year institution
- Define the fundamental concepts, which include but are not limited to, terminology, institutions, and issues associated with the disciplines studied by the student
- Describe the essential of methodologies, perspectives, approaches, processes, and sources customarily used in the field (s) of study
- Describe the major issues and/or future challenges to the current problems and concerns discussed in the fields of study along with possible responses, solutions, and/or remedies
- Describe how factors such as culture, institutions, environment, knowledge, beliefs, and/or ideology have affected human activity and outcomes at the local, national, and international levels
- Explain the technology, communication forms, and methods used in discussing and disseminating knowledge and ideas in the specific fields of study
