

PSYCHOLOGY, Associate in Science Degree - 5156

Social Science Department

The Psychology AS transfer degree provides students with a solid foundation to transfer as a Psychology major to a wide range of Baccalaureate Institutions. Students receive a broad introduction to the field, an in-depth look into at least two subfields within Psychology, and a solid foundation in research design and analysis. Since some four-year institutions have specific preferences for course options, students are advised to identify their intended transfer institution as soon as possible and consult the associated transfer guide for that school. The complete program is available at the Harrisburg, Lancaster and York campuses.

Transfer Opportunities

This transfer curriculum is provided as a guide for students planning to transfer to a baccalaureate-degree-granting institution. Students who plan to work in therapeutic or academic settings should expect to continue on to earn at least a Master's degree.

Competency Profile

This curriculum is designed to prepare students to:

- Attain Basic-level competency across all major subfields of psychology
- Attain Developing-level competencies in at least two of the four major content categories as currently defined by the American Psychological Association: Human Development, Individual and Socio-cultural Differences, Learning and Cognition, and Biological Basis of Behavior and Mental Processes
- Develop Basic and Developing-level competency in Research Design and Analysis
- Comprehend biological processes as they relate to human and animal psychology and behavior and the environments in which they live
- Develop Basic and Developing-level understanding of critical thinking and evidence-based logic and reasoning
- Develop Basic and Developing-level understanding of the technology and communication forms and methods used in discussing and disseminating psychological ideas

PROGRAM REQUIREMENTS (TOTAL CREDITS = 61)

General Education		Major Requirements		Other Required Courses	
ENGL 101 English Composition I	3	PSYC 241 Research Design and Analysis I	4	BIOL 111 Intro Biological Science (or)	3
ENGL 102 English Composition II (or)	3	PSYC 242 Research Design and Analysis II	4	BIOL 101 General Biology I	(4)
ENGL 104 Technical Writing	(3)	Select 6 credits from two of the following three categories:	6	CIS 105 Intro to Software for Business	3
COMM 101 Effective Speaking	3	Human Development (or)		PHIL 102 Logic (or)	3
Humanities & Arts Elective	3	PSYC 209 Life Cycle Development (or)	(3)	PHIL 101 Intro to Philosophy (or)	(3)
Humanities & Arts or Science & Behavioral Science Elective - PSYC 101	3	PSYC 211 Psychology of Adolescence (or)	(3)	PHIL 215 Philosophy of Science (or)	(3)
