In addition, PCA&D recommends that HACC students participating in the 2 + 2 program with PCA&D take **ART 122: Drawing II** as a **free elective**, as well as **ART 220: Color and Design** and **ART 107: Fundamentals of 3D Design** as **art electives** in order to be fully prepared for their junior year at the College. In addition, **ART 181: Art Through the Ages (Cave to 1300)** should be taken as a **Core A Elective**. ART 131: Painting could be substituted for ART 220, however, ART 220 is preferred.
