Overview of Shippensburg University's General Education Program

The General Education Program at Shippensburg University comprises 45 of the credit hours required for graduation. It consists of 5 themes with 2-3 required course goals in each theme

-Foundations: 15 credits (3 credit first-year seminar not currently required for transfer students)

- Writing^W, Oral Communication^O, History^H, Quantitative^Q

-Interconnections: 9 credits required from 3 goals with at least 3 credits required in Diversity and 3 credits in Global Perspectives

- Diversity^D, Global Perspectives^G, Foreign Language^F

-Citizenship & Responsibility: 6 credits required with no more than 1 course from the same goal category

- Citizenship^S, Ethical Reasoning^E, Critical Reasoning^R

-Natural World & Technology: 9 credits required with at least 6 credits completed in the Natural World category

- Natural World^N, Technology^T

-Creativity & Expression: 6 credits required with at least 3 credits required in the Literature category

- Literature^L, Arts^A, Creative^C

TRANSFER GUIDE FOR ELECTRICAL ENGINEERING**

NOTES (IMPORTANT – PLEASE READ)

1. Additional transfer credits may be taken at HACC for transfer to Shippensburg. Please speak with your advisor and/or the SHIP transfer counselor for advisement on additional coursework.
2. 0-Level courses do not count toward graduation requirements and will not transfer. HD courses may not transfer.
3. Although elective credits are transferable, the Electrical Engineering major only requires one free elective credit to fulfill major requirements. Therefore, additional elective credits earned will not count toward a B.S. at Ship.
4. Admission to Ship's Electrical Engineering major requires a 2.0 GPA and a Math Level 6 placement (Calculus). Additional 100-level math courses that are required at HACC to reach the Math 121 level will count as electives at SHIP.
5. Both HACC ELEC 203 (4 credits) and ELEC 211 (4 credits) must be taken in order to fulfill the major requirement for SHIP ELEC 220 (4 credits). ELEC 203 will transfer in as ELEC 220, and ELEC 211 will transfer as 4 elective credits (see note 3 above).
6. Courses for Shippensburg University have been selected by joint agreement of HACC and SHIP. However, curricula are subject to change. Please speak with your advisor and/or the SHIP transfer counselor if you have any questions. A transfer counselor from SHIP visits the campus on a regular basis through the academic year. Call the SHIP Office of Admissions for the specific day and time.
