### SPECIAL NOTES:

1. Courses for YCP have been selected by joint agreement of HACC and YCP. However, curricula are subject to change. It is in your best interest to meet with your advisor and talk to the transfer counselor at YCP if you have any questions about your courses.
2. 12 credits of free electives are required this program.
3. Students taking 30+ transferrable credits are exempt from the First Year Seminar (FYS\*) at YCP and granted 3 additional credits of free electives. (ENGL 101 may be used for this elective) Students in this category would ultimately be allowed 15 free elective credits for a Nursing degree.
4. Students completing 60 or more transferable credits (C or higher in each course) will be exempt from the YCP Constellation requirement. This exemption allows 12 additional free elective credits towards a Bachelor's Degree at YCP. Students in this category would ultimately be allowed 27 free elective credits for a Nursing Degree. (BREAKDOWN: 12 constellation, 3 FYS, 12 required program free electives) *Students not planning on earning 60 or more transferrable credits should not use this transfer sheet as they will be required to elect a Constellation and will need to plan accordingly.*
5. YCP will accept up to 75 transfer credits from community colleges.
6. Students are advised to **apply one semester prior** to desire transfer date. Required cumulative transfer GPA is 2.0.
7. 0-Level courses **do not** count toward graduation requirements and **will not transfer**. FS courses will not transfer.
