## **PUBLIC SERVICE ANNOUNCEMENT**

*Released: July 16, 2012*

### **TAX COLLECTOR AND PROPERTY APPRAISER ANNOUNCE MOLINO OPEN HOUSE**

Janet Holley, Escambia County Tax Collector, and Chris Jones, Escambia County Property Appraiser, invite you to join them along with members of their staffs for an Open House at their new Molino branch offices on July 24, 2012, from 9:00 a.m. until noon.

These offices relocated July 2 to 6440 Highway 95-A North. The new building was constructed by the Board of County Commissioners to provide space for both tax collector and property appraiser services. This location replaces the Cantonment tax collector's office formerly located on Highway 29 and the Molino property appraiser's office formerly located in the Farm Bureau Building.

The new offices are equipped with current technology and are designed to serve the citizens of Escambia County now and in the future. The opening of these relocated branches allows for both the tax collector and property appraiser to move from leased building spaces to a new full-service county-owned facility that saves taxpayer dollars and offers the efficiency of grouping government offices together.
