## Your Voter Information Card

Once registered, a Voter Information Card will be mailed to you. This card provides your precinct number and polling location as well as other district information. You are not required to present the card to vote on Election Day or during early voting.

If your polling place changes, you will be mailed a new Voter Information Card with updated information on where to cast your ballot on Election Day.

---

## Three Ways to Vote

Voting in Florida has never been easier. You can choose one of three ways to cast your ballot.

### 1. Early

For most elections in Escambia County, early voting is offered to all eligible voters at several locations throughout the county. Early voting begins a minimum of ten days prior to Election Day. For complete information on early voting times and locations, visit [EscambiaVotes.com](http://EscambiaVotes.com), contact us by phone or e-mail, or refer to your sample ballot.

### 2. By Mail

You may request a vote-by-mail ballot by contacting our office by mail, phone, fax, e-mail, or through our website. Requests for a ballot to be mailed must be received no later than the Wednesday before a Tuesday election. Follow the instructions included to complete your ballot. Voted ballots must be received no later than 7:00 p.m. on Election Day and may be returned by mail or hand delivery. Vote-by-mail ballots may not be forwarded, so be sure your address is correct. You can track the status of your ballot at [EscambiaVotes.com](http://EscambiaVotes.com).

### 3. On Election Day

You may vote in person at your polling location (printed on your Voter Information Card and sample ballot) on Election Day. Polls are open from 7:00 a.m. to 7:00 p.m. You must vote at the polling location assigned to your precinct of legal residence.

---

## **Photo and Signature ID Requirement**

If you choose to vote in person, whether by early voting or at your precinct on Election Day, you must present photo and signature identification. Acceptable forms of photo ID are:

- Florida Driver's License
- Florida ID card issued by the Department of Highway Safety & Motor Vehicles
- U.S. Passport
- Debit/Credit Card
- Military ID
- Student ID
- Retirement Center ID
- Neighborhood Association ID
- Public Assistance ID
- Concealed Weapon License
- VA Card
- Government Employee ID: Federal, State, County or City

If you fail to present proper identification at the polls, you may vote a provisional ballot.

---

## **Keep Your Information Current**

We need your help! In order to maintain accurate voter rolls, we ask that you keep us informed of any changes to your registration. You can simply call or e-mail us with an address change, or use a signed written notice to change your party or name.

It is important to keep your signature updated, as it is used to verify vote-by-mail ballots and petitions. An outdated signature, if it differs significantly from your current signature, may result in your vote-by-mail ballot or petition not being accepted. You may update your signature on file with our office at any time using a Florida Voter Registration Application, which can be obtained from our website, our office, or any other voter registration agency.

**Remember to bring your  
Photo/Signature I.D. with you to vote!**

---

## **Florida Holds Closed Primaries**

In Florida primary elections, you may only participate in the primary of the party in which you are registered. However, if all candidates for an office are from the same party, and will not face opposition in the general election, then all qualified voters may cast a ballot in the primary, regardless of party affiliation. This is known as a Universal Primary Contest.

In the general election, and in non-partisan contests, all voters may cast a ballot without regard to political party.

---

## **Provisional Ballots**

If a person's eligibility to vote cannot be determined, he or she will be allowed to vote a provisional ballot. A person casting a provisional ballot will be provided a written notice of rights with instructions on how to present written evidence supporting their eligibility to vote to the supervisor of elections. The canvassing board adjudicates all provisional ballots.

If you do not provide an acceptable photo and signature identification at the polls, you may vote a provisional ballot. The canvassing board will simply compare your signature on the provisional ballot certificate with the signature on your voter registration record. Your provisional ballot will be counted if your signature matches, you cast your ballot in the proper precinct, and you are otherwise eligible to vote.

## How to Vote

Escambia County's primary voting method is by paper ballot tabulation by a digital scanner.

### Digital Scan with paper ballot

- To vote, simply mark your ballot by completely darkening the oval to the LEFT of your choice, as illustrated.
- For write-in candidates, if applicable, darken the oval to the LEFT of the words "Write-in," and write the qualified write-in candidate's name on the blank line provided.
- After reviewing your ballot, insert it into the digital scan tabulator.
- If you make a mistake, simply ask for a replacement ballot.
- If you need any assistance, see an election worker.

### Voters with Disabilities

Escambia County also has at least one ExpressVote available at each polling place and early voting location to assist persons with disabilities. This ballot marking device allows voters with disabilities the option of a touchscreen, or an audio headset with keypad to mark their ballot. The screen has large-print capability and adjustable screen contrast for better viewing.

- Insert your ballot into the ExpressVote.
- Mark your selections by touching your choice on the screen.
- Touch "back" or "next" to navigate through the ballot.
- Once you have reviewed your selections, touch "print card" and the ExpressVote will mark the ballot and return it to you.
- Insert your ballot into the digital scan tabulator.

---

## What to Expect at the Polls

## Military and Overseas Voters

Active duty members of the U.S. uniformed services, merchant marine, their spouses and dependents, and U.S. citizens residing overseas are covered by the federal Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) and related state statutes. Such voters may register to vote in Florida using a Federal Post Card Application (FPCA), which also serves as a vote-by-mail ballot request, or may use a Florida Voter Registration Application and indicate their status.

In addition to the traditional mail option, UOCAVA voters may have ballots faxed or e-mailed to them. Overseas voters may return their ballots via fax, but not e-mail. UOCAVA voters may also use our online ballot delivery system, which allows a voter to access and complete a ballot online. The completed ballot must be printed and returned by mail (or fax if overseas), as online or e-mail return of a voted ballot is not permitted in Florida. Vote-by-mail voters can track the status of their ballot at [EscambiaVotes.com](https://EscambiaVotes.com).
