This will allow them to re-enter. There are also bathrooms near the Concession Stand at the other end of the field.

Guard units will be directed to the Guard warm up area. 15 minutes prior to the band/guard performance time, staging volunteers will direct the band and guard units to the Warm up area D and then to the Gate. Both of these areas are silent areas. In the Gate area, judges will direct the band/guard units to proceed onto the field at the appropriate time.

Field Surface: Turf.

Retreat/Critique: Judges and directors will be directed to our Hospitality area, inside of the high school in room D282.
