

DISSEMINATION OF THE LATEST SCIENTIFIC  
ADVANCES ON **HIGH PRESSURE PROCESSING**

## TERMS AND CONDITIONS

1. The HPP Research Awards 2022 are open to graduate and undergraduate students, postdoctoral researchers, and young professionals that have published applied research on High Pressure Processing (HPP) technology.
2. Student and postdoctoral participants must submit proof of enrollment in a college/university such as a copy of current tuition receipt, registration card or an official letter from the institution.
3. Professionals must submit proof of terminal degree or diploma with graduation date between 2018 and 2022.
4. Only applied research published in peer-reviewed scientific journals, and oral communications or posters presented in scientific conferences between 2018 and 2022 will be accepted for submission.
5. All the entries must be submitted in English.
6. Researchers are limited to one submission and one of the following categories:
  - o Human & Pet Nutrition
  - o Food Safety & Shelf Life Extension
  - o Sustainability & Product Development
7. Proposals must be submitted on the HPP Research Awards section of the HPP Innovation Week 2022 website [www.hiperbaric.com/hpp-innovation-week](http://www.hiperbaric.com/hpp-innovation-week) . Each submission grants a free registration and access to HPP Innovation Week 2022.
8. Deadline for submission of applications is May 17th, 2022.

DISSEMINATION OF THE LATEST SCIENTIFIC  
ADVANCES ON **HIGH PRESSURE PROCESSING**

## TERMS AND CONDITIONS

9. The jury that will evaluate the proposals will be made up of third party HPP experts and a member of Hiperbaric's HPP Food Applications department.
10. After the deadline for applications, the jury will evaluate the documentation provided by the participants to choose up to three finalists for each category, depending on the number of applicants.
11. Hiperbaric reserves the right to request additional information from the candidates and/or specific clarifications on the documentation provided.
12. Hiperbaric will announce the finalists on May 23rd.
13. The finalists (up to three for each category) will have the opportunity to present their research during the HPP Innovation Week 2022.
  - June, 21 - Human & Pet Nutrition;
  - June, 22 - Food Safety & Shelf Life Extension;
  - June, 23 - Sustainability & Product Development.Each finalist must give a 15-min pre-recorded presentation followed by 5 min of questions. Hiperbaric will arrange with finalists a date for the recording.
14. The jury will elect the first, second and third places in each category after visualization of the recorded presentations.
15. The online award ceremony will be transmitted live during the last day of the HPP Innovation Week 2022, on June 23, 2022 to announce the winner(s) of each category.

DISSEMINATION OF THE LATEST SCIENTIFIC  
ADVANCES ON **HIGH PRESSURE PROCESSING**

## TERMS AND CONDITIONS

16. The finalists of each category will be rewarded with the following prizes:

- o 1st place: 600 €
- o 2nd place: 300 €
- o 3rd place: 150 €

17. The 1st place of each category will also have the opportunity to disseminate their research through Hiperbaric's website and social media.

18. In order to comply with Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and following the Recommendations and Instructions issued by the Spanish Protection Agency of Data (A.E.P.D.), it is informed that: 1) The personal data requested and provided by the applicant is incorporated into a privately owned file of which Hiperbaric is responsible and the only recipient. 2) Only strictly necessary data to adequately evaluate the applicant will be requested. 3) All data collected will be confidential, with the legally established security measures, and under no circumstances transferred or treated by third parties without the prior consent of the applicant. 4) Once the relationship between Hiperbaric and the applicant has ended, the data will be archived and kept for a minimum period of one year, after which it will be deleted or destroyed if physically available.

19. Submit your questions and comments on the "Contact us" tab of the HPP Innovation Week 2022 website [www.hiperbaric.com/hpp-innovation-week](http://www.hiperbaric.com/hpp-innovation-week).
