

EVERCORE ISI

AUTONOMOUS DRIVING, AI & MOBILITY FORUM

JUNE 4-5, 2018 | QUADRUS CONFERENCE CENTER IN MENLO PARK, CA

Autonomous Driving, AI & Mobility Forum

June 4-5, 2018

Quadrus Conference Center | 2400 Sand Hill Rd, Menlo Park, CA 94025

Hosted by Chris McNally, CJ Muse

AGENDA

Monday, June 4

12:30 PM – 6:30 PM

1x1s, Small Group Meetings & Company Presentations - QCC

12:30PM

Nvidia (NVIDIA)

Ian Buck, VP Accelerated Computing

Simona Jankowki, VP Investor Relations

1:15 PM

Intel (INTC)

Jack Weast, Chief AD System Architect

2:00 PM

DeepMap, Inc. (private)

Wei Luo, COO & Head of Product

Kevin Tsurutome, VP of Business Development

2:45 PM

Quanergy (private)

Louay Eldada, CEO

Ann Gargiulo, Sr. Director Marketing Communications

3:30 PM

Cerebras Systems (private)

Andrew Feldman, CEO

4:14 PM

Zoox (private)

Jon Foster, CFO

5:00 PM

Aptiv & Nutonomy (APTV)

Karl Iaganemma, CEO of Neutonomy

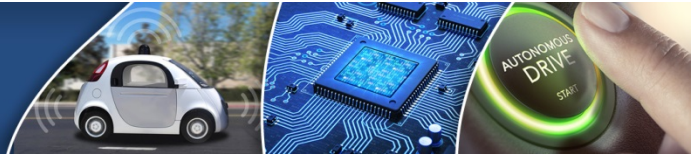

5:00 PM - 6:30 PM

Cocktails - Patio deck

Accommodations:

The Westin Palo Alto

Evercore ISI Conference Rate: \$499/night, Reservations can be made by emailing westinReservations@pahotel.com and must mention EVERCORE ISI in order to receive the group rate.

Autonomous Driving, AI & Mobility Forum

June 4-5, 2018

Quadrus Conference Center | 2400 Sand Hill Rd, Menlo Park, CA 94025

Hosted by Chris McNally, CJ Muse

AGENDA

Tuesday, June 5

8:00 AM – 3:30 PM

8:00 AM

1x1s, Small Group Meetings & Company Presentations - QCC

Metamoto (private)

Chad Partridge, CEO

Jeff Blackburn, Head of BD

8:45 AM

Wave Computing (private)

Lee Flanagan, SVP CBO

Chris Nicol, CTO

9:30 AM

VC Panel: LUX and Trucks VC

Shahin Farshchi, Partner at Lux Capital

Reilly Brennan, Founding Partner at Trucks VC

10:15 AM

Velodyne (private)

Bob Brown, CFO

Mike Hellen, President & Chief Commercial Officer

11:00 AM

Aeye (private)

Lui Dussan, CEO

Jordan Greene, Lead Strategist

Blair LaCorte, Chief of Staff

11:45 AM

MetaWave (private)

Maha Achour, CEO

12:30 PM

Peloton (private)

Josh Switkes, Founder & CEO

1:15 PM

Ridecell (private)

Aarjav Trivedi, CEO

2:00 PM

May Mobility (private)

Alisyn Malek, COO, Co-Founder

2:45 PM

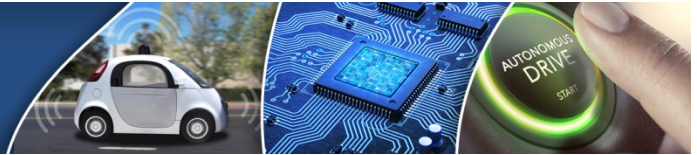

Xilinx, Inc. (XLNX)

Manish Muthal, VP of Data Center

Accommodations:

The Westin Palo Alto

Evercore ISI Conference Rate: \$499/night, Reservations can be made by emailing westinReservations@pahotel.com and must mention EVERCORE ISI in order to receive the group rate.

Presenting Companies:

- **Aeye.ai** – Develops hardware, software and algorithms for autonomous vehicles
- **Aptiv (APTV) and Nuro** – Leading Tier 1 global growth supplier with expertise in the fields of Autonomous, Connectivity, and Electrification
- **Cerebras Systems**– Stealth mode/start up chip company backed by premier venture capitalists in SF Bay area.
- **DeepMaps**– Start-up providing HD maps and real-time localization as a service for autonomous vehicles.
- **Intel (INTC)** – Designs, manufactures, and sells computer components and related products.
- **Luminar** – Lidar technology company
- **Lux Capital** – VC fund backing Silicon Valley start ups
- **May Mobility** – Self driving microtransit service based in Michigan
- **Metamoto** – Simulation as a Service for Autonomous Vehicles
- **MetaWave** – Focuses on wireless tech and communications
- **Nvidia (NVDA)** – 3D graphics; Chip units for mobile computing/automotive market
- **Peloton** – Autonomous/platooning trucking company
- **Quanergy** – Lidar technology company
- **Ride Cell** – Mobility services software platform
- **Trucks Venture Capital**– Provides funding for entrepreneurs building the future of transportation
- **Velodyne** – Lidar technology company focusing on autonomous driving space
- **Wave Computing** – Start-up revolutionizing the deep learning industry by enabling organizations to drive better business value from their data with its roadmap of WaveFlow computing systems.
- **Xilinx (XLNX)**–Leading designer of programmable devices called FPGAs / PLDs serving some of the most interesting areas in Semis including ADAS/AD, 5G, and Deep Learning/Inference in the Data Center.
- **Zoox** – Start-up robotics company pioneering autonomous mobility as-a-service

Accommodations:

The Westin Palo Alto

Evercore ISI Conference Rate: \$499/night, Reservations can be made by emailing westinReservations@pahotel.com and must mention EVERCORE ISI in order to receive the group rate.
