

## **DAVID G. MONGAN, P.E., F. ASCE**

David G. Mongan, P.E. retired as the President of Whitney, Bailey, Cox & Magnani, LLC, an architectural/engineering/construction firm headquartered in Baltimore, MD on June 30, 2009. WBCM provides professional services in architecture, highway and bridge engineering, design of institutional, commercial and industrial structures, transportation planning, environmental engineering, land development and site engineering, planning and urban design, design of waterfront and marine-related facilities, construction management/inspection, and field surveying.

Mr. Mongan is active with the American Society of Civil Engineers at the National Level and served as President in 2008. He has been the District 5 Director, Zone 1 Vice President, and Treasurer and served on or as chair of numerous committees. He is Past Chair of the Council on Federal Procurement of Architectural and Engineering Services. He is a past member of the Maryland Chamber of Commerce Board of Directors, past member of the Board of Directors of the Engineering Society of Baltimore, and past Co-Chair of the ACEC-MD Legislative Committee.

He currently serves on the Maryland State Board for Professional Engineers, is the Chair of the American Association of Engineering Societies and is a member of the Board of Direction and President-Elect for Engineers Without Borders-USA. He recently received the Engineering Society of Baltimore's Meritorious Service Award for 2011. In 2003 he was awarded the William H. Wisely American Civil Engineer Award by ASCE. Mr. Mongan holds a Bachelors and Masters of Science in Civil Engineering from the University of Maryland and a Masters in Business Administration from Loyola College of Baltimore, Maryland.
