

SERVICE INVOICING

The Right Information

To have a successful service business you need a billing system that gets invoices to your customers promptly and with the right information. Ideally you could also save time by having your service order and contract information flow automatically into your invoices. For these results and more you should be using SouthWare's Service Invoicing.

Benefits

- Enter a service invoice quickly
- Instantly bill a completed service order from Service Orders
- Produce invoices from contracts in Contract Management
- Streamline the handling of complex sales situations
- Put as much detail on an invoice as you need
- Ensure that standard pricing is used on your invoices
- Get your invoices recorded in A/R almost instantly
- Know the details of past invoices
- Standardize your miscellaneous add-on charges
- Keep your A/R system updated with sales taxes, commissions, and other information from the latest invoices

Service Invoicing provides the billing system for SouthWare's Service Management Series, a complete system for service businesses. With Service Invoicing you'll be confident that you're getting your service invoices processed efficiently and accurately.

SERVICE INVOICING ANSWERS

COMMON QUESTIONS:

- How can we get our invoices sent out the same day that we're ready to bill?
- How can we make sure our customers know the details of the services and parts that we're billing?
- How can we eliminate the lost time spent trying to explain to a customer the details of each invoice on their statement?
- How do I quickly print an invoice for the service order when a customer picks up his repaired equipment?
- How can we make sure we're charging the right sales tax on our parts and services?
- How can we reduce the amount of time we spend generating invoices for contract renewals?
- How can we easily create an invoice for the miscellaneous services not related to a service order?
- What was the customer PO number on this invoice?
- How did the customer pay for this invoice?
- Should we have paid commission on this invoice?
