12. To get your special link to send to your audience, click on any one of the products offerings.  
Note, all products are for weekly meal plans, but since we offer different sales during the year, you will get credit no matter what offer your referred member uses to purchase.

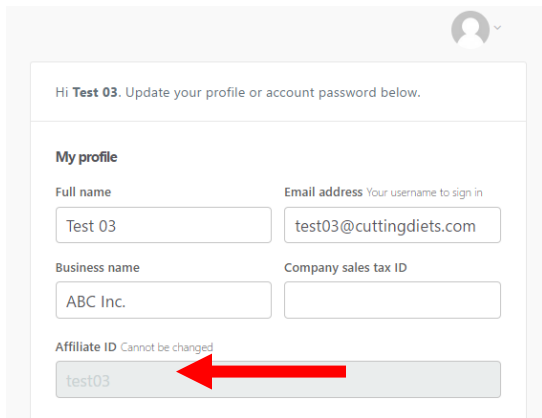

13. Click the button to copy either a link to the BulkingDiets.Com site, or the Cutting Diets.Com site.  
Once your user clicks on that link, you will be credited for that sale regardless if they purchase right away, 6 months from now, or a year plus from now.

A screenshot of the ThriveCart affiliate dashboard for the product '100% Free 2-Week Trial'. The top navigation bar includes 'Overview', 'Products', and 'Commission history'. Below the navigation, there is a 'Go back' button, a 'PayPal: Active' badge, and a 'Sold by: Dan' label. The main content area is divided into three tabs: 'Affiliate info', 'Transactions', and 'Promo materials'. The 'Affiliate info' tab is active, showing a summary of affiliate statistics for 'Today':

1 Clicks	0 Front-end sales	0 Funnel sales	0% Conversion %	\$0.00 EPC
\$0.00 Gross sales	\$0.00 Gross commissions	0 Refunds	\$0.00 Refund amt.	\$0.00 Net commissions

Below the statistics, there is a section for 'Your affiliate link'. It includes a 'Create affiliate link with tracking ID' checkbox and a 'Copy' button. The main affiliate link is: <https://test03--explosified.thrivecart.com/checkout-mp1002y-ac-aa-aa-aa/>. Below this, there are two additional links: 'Cutting Diets: <https://test03--explosified.thrivecart.com/checkout-mp1002y-ac-aa-aa-aa/591ecfd1>' and 'Bulking Diets: <https://test03--explosified.thrivecart.com/checkout-mp1002y-ac-aa-aa-aa/591ecfe1>'. Each link has a 'Copy' button. Red arrows point to the 'Copy' buttons for the Cutting Diets and Bulking Diets links. A red line is drawn through the main affiliate link. To the right of the screenshot, there are two text boxes: 'Do NOT Use This Link' with an arrow pointing to the main affiliate link, and 'Use Either of these 2 links.' with arrows pointing to the 'Copy' buttons for the Cutting Diets and Bulking Diets links.

14. You can also have your audience put in your affiliate I.D. as a coupon code. Not only does this give them a 10% discount, but it also will credit you with the sale even if they do not click on one of your links. This allows you to verbally tell people about BulkingDiets.Com and CuttingDiets.Com while still receiving your affiliate commission.
