

Be a Mentor to Others

Jesus took the approach of investing in a few people deeply in order to impact many widely. Regi Campbell explores mentoring as Jesus did and offers the insight you need to begin to mentor others and invest in the next generation.

Helping others recognize their priorities, their purpose, and the wisdom that is available to them for decision-making begins with being grounded in God's word.

Mentor Like Jesus offers a practical, modern-day look at what it means to engage in an intentional relationship for the purpose of spiritual growth.
