

Talking through the message during the week helps you turn what God is saying to you into action steps. These talking points, questions and scriptures are designed to help you take the next step. If you are leading a group through this guide, don't feel like you have to answer every question. Pick out those questions that will stir up conversation and action among your group.

- What is one of the most amazing things you have ever seen? How did witnessing this event impact you?

With your Bible or YouVersion, read Joshua 10:7-14.

In this passage God answers Joshua's impossible prayer of making the sun stand still so that his army could prevail over the Amorites.

- What are some of the miraculous things you have seen God do in your life or in the lives of others?
- In what ways have you seen the sun stand still in your own church?
- What keeps you from believing that God can do the impossible?
- Describe a time when God turned your mistake into a miracle. How did this experience impact you?
- What impossible goal is God calling you towards? How do you need God's help to achieve that goal?
- What changes do you need to make that will allow God to do miraculous things in your life?
- How different do you think your life would be if you stopped asking God for simple things and instead ask Him to do mighty things?
- What impossible need will you ask God to meet? What is your next step in allowing God to meet that need?

Talk It Over with God:

- Thank God for the miraculous things He has done in your life and in the lives of those you love.
- Tell God the things that are keeping you from believing that He can do the impossible. Ask Him to help you remove these things from your life.
- Ask God to show you the impossible goal that He wants you to accomplish. Ask for His help.
- Ask God to continue making the sun stand still in your church. Thank Him for all He has already done.
- Tell God your impossible needs that you need Him to meet. Ask for His help and commit to believing that He will meet those needs.
