

GET READY TO RUMBLE!

You've taken the first step toward driving huge volumes of seller leads and becoming the best. By partnering with SalesTeamLive, you've just tapped into the industry's most powerful sales and marketing machine for real estate investors.

You don't just run with the pack. You lead it. You're going to make your business stand out from the competition. Then you'll eliminate them. Your business shouldn't be about struggling with getting motivated seller calls. It's about closing profitable deals and generating cash flow. It's about beating your competition at every deal. Here's how we make it happen:

- Provide an **immediate professional presence**, with pre-built customized marketing materials designed to brand your business – **postcards, letters, self-mailers, leave-behinds, and brochures** that will not only help you **get noticed**, but **get calls**.
- **Automated repetitive mail fulfillment**, including technology to identify vacant and abandoned properties **before your competition**.
- Maintain a **centralized prospect and lead database**, which eliminates spreadsheets and sticky notes, targeting your properties and automating marketing/sales activities.
- Offer a **contact management system**, so you can identify all cold calling and door knocking activities based on key property attributes, events, and dates.
- Give you access to our powerful **Lead Evaluator**, an online real estate analysis tool that allows you to compute profit and loss estimates in real time.
- Help manage all your leads through our **integrated seller/buyer websites and phone systems**.
- Let you tap into an invaluable **knowledge-sharing community**, where you'll find customers and industry service providers via user weekly and monthly group meetings, seminars, and key alliances.

If you're a serious investor looking to lead the pack, we'll make it happen. Learn how SalesTeamLive can launch your business and boost profits overnight by calling (800) 547-2703, or visit us online at www.salesteamlive.com.
