

Let Your Business Come To You!

The Challenge

Will the leads come? Will the phone ring?

When you partner with SalesTeamLive, the answer is always YES! We know that while you're researching, evaluating, and negotiating, it's hard not to think about the pipeline for the next round, and the next, and the next ...

Our Response

We take all that off your hands! At SalesTeamLive, we're passionate about real-estate investing, and we're relentless when it comes to providing you the best in marketing and automation tools.

SalesTeamLive provides the missing components – industry-savvy marketing, intuitive tools, a full-service suite of community resources, and training right when you need it – that bridge the gap between hobbyists and successful investors. We offer a variety of different packages tailored to meet your individual investment needs.

An Investor Toolkit

How would you rather spend your time: negotiating and closing deals, or managing spreadsheets? If you'd rather be out making money than dreaming up direct-mail logistics, then you need the powerful technology of SalesTeamLive. Our online tool not only centralizes and stores all property information and marketing activity, but also contains incisive financial tools for calculating profit and loss, loan-to-value ratio, and other key components for a profitable deal. All you need to use SalesTeamLive is a computer and an Internet connection – it really is that easy!

Your Community Connection

SalesTeamLive is much more than a powerful piece of software. We're aggressively committed to expanding your expertise. Our training and support, as well as our ongoing member webinars and events, help you tap into a rich network of investor resources.

When you combine SalesTeamLive's ongoing education and community resources with its online tools and professional presence support, you've got a fail-safe method of bringing your business to its highest possible level.
