#DayoftheGirl

Work together to break
barriers for girls
everywhere!

- 120 million girls around the world have experienced a form of sexual violence
- 1 in 4 girls worldwide forced to become child brides
- Girls who receive an education, are less likely to be married in childhood or adolescence and get pregnant early

- 31 million school-aged girls are excluded from learning
- Only 38% of countries have achieved gender parity in secondary education
- Education empowers girls with skills & knowledge to improve their lives and lives of those around them
