

RAISE YOUR SIGHTS

V. Collective's rooftop decks blur the line between work and play, taking the meaning of functional space to a whole new level.

V. COLLECTIVE™

Host your next business meeting in one of the dedicated conference areas with Wi-Fi access and AV connections. Transition into happy hour in the comfortable lounge space with epic views and bar service. Designed using thoughtfully selected materials, V. Collective's rooftop decks are as stunning as the views they deliver. And as with all V. Collective amenities, members have smartphone-driven access across all properties.
