The Annabelle - whipped pistachio cream and fresh strawberries.

By: Jenn Reid

Posted: April 29, 2016

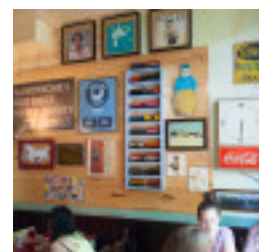

Nugateau, [Toronto's first and only all-éclair bakery](#), is about to launch their first major flavour change. The Queen West bakery has been open for less than a year and has already won over foodies with flavours like Brazilian Coconut and Red Raspberry, but the spring/summer menu for 2016 is sure to impress even further.
