Envelope necklace
in 18K gold and
pink sapphire
elenavotsi.com

HAVE A LITTLE heart

Among the ranks of some self-styled tastemakers, jewelry that made heart motifs the center of attention was too treacly to be cool. They'll have to reconsider once they see how the shape has been reinterpreted with humor, stripped down design or maybe a pixelated point of view. As Valentine's Day gets a little closer, even its toughest critics are about to fall in love with the heart all over again. — STORY BY TANYA DUKES

\$600

SheBee Gems
yellow topaz
heart pinky ring
in sterling silver
