

## EXCLUSIVE GREEK ISLAND WEDDINGS

*Show menu**Our Story*

Imagine the Greek Island wedding of your dreams.

Will it express your unique character, style and destination through the eloquent language of décor, flawless choreography and gracious hospitality?

If that vision leaves you breathless, allow us to introduce ourselves.

We're [Stella & Moscha](#), a boutique event planning and design firm specializing in tailor-made Greek Island celebrations and luxury weddings. [A list planners by Destination Weddings & Honeymoons](#), [member of Style Me Pretty's Little Black Book](#) and [Wedding Wire Bride's Choice](#).

Stella and Moscha's work has been featured in [Grace Ormonde](#), [Style Me Pretty](#), [Merci New York](#), [Conde Nast Traveller](#), [Lela New York](#), [Junebug](#) and many more.

Our story started when Evangelia launched Weddings in Santorini, one of the first custom wedding planning and design companies in the Greek Islands. Now, twenty years and two daughters later, Evangelia, Stella and Moscha are Stella & Moscha!

Crafting one-of-a-kind weddings isn't just the family business, it's who we are. You'll find warmth, passion and pride in all we do, down to the smallest of details. We treasure every surprise entrance, blue-domed church "I do," Caldera side reception, father of the bride speech and getaway under the stars.

"The whole day was a fantastic success and one we will never forget."

– Michel and Sandra, 10 September 2010

For us, hearing a couple say those words is sweeter than the first bite of wedding cake or sip of champagne.

We'd be honored to bring your Greek Island wedding reveries to life, and invite you to [connect with us](#) to talk more.
