

SPOTLIGHT

LICENSE TO TICK

Hit the road with timeless style. This vintage-inspired clock keeps time with license plates of yesteryear as a bold backdrop. Rustic bronze detailing amps up the nostalgic allure and rounds out the up-cycled motif. This fun, vibrant piece adds punctual panache to any routine. (\$204.60, lampsplus.com)

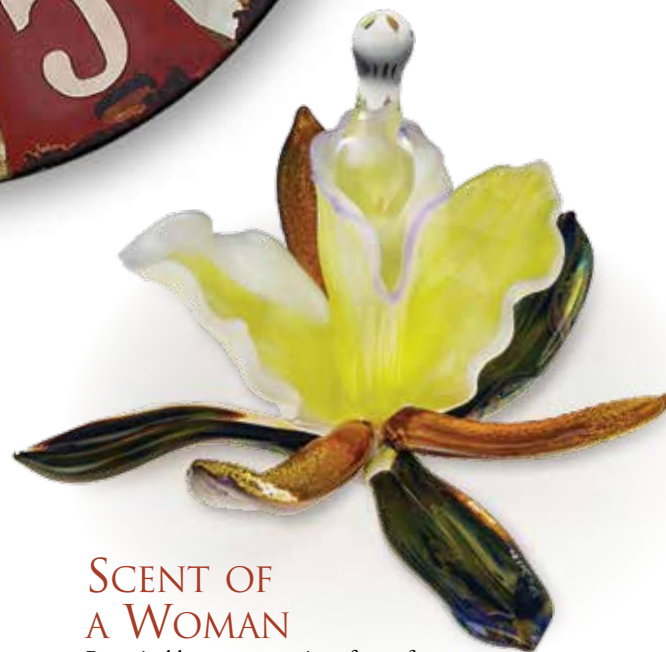

HERE COMES THE GROOM

Is the man in your life in need of a grooming regimen upgrade? The Man Can, an all-natural kit of skincare tools, helps him put his best face forward with minimal fuss factor. Spicy Shave Gel and other essentials come packaged in a portable pail. (\$49.95, gifttree.com)

SCENT OF A WOMAN

Botanical beauty, evocative of a perfume bottle nestled within the petals of exquisitely crafted glass orchid, make this delicate piece a showstopper. Art nouveau inspiration illuminates this expressive bloom. Artist Loy Allen celebrates the mystery and power of nature through the luminous medium of glass. (\$320, artfulhome.com)

NATURAL GLOW

Composed of laser-cut "leaves" that, when put together, form a beautifully crafted sculpture, the Abstraction pendant lamp casts a sylvan glow on contemporary decor. The leaves are interchangeable with other colors and shapes in the series, allowing for a cornucopia of creative configurations. (\$180, supermarkethq.com)

SOFT TOUCH

Add luxe comfort to your itinerary with this cozy travel throw and matching pillow. Monogram or weave your personalized plushness into the set with up to eight customizable characters. This machine-washable, imported fleece ensemble is as practical as it is stylish. Bon Voyage! (\$33, nieman-marcus.com)

A GAME OF CODES

The Hackaball is a smart, responsive toy that will encourage kids to play and invent, while having a ball. The tech-enabled orb transcends mere bouncing, with a corresponding app that teaches the basics of coding and developing games. (\$85, hackaball.com)

LAND SHARK

While it resembles the great white that terrorized a certain beach community, this two-part denizen of the deep adds a dramatic statement to green spaces as it leaps through waves of grass, inspiring mock terror in all who cross its path. (\$180, uncommongoods.com) ■
